

For all clinicians and scientists submitting a case for discussion at SPID MDT:

Please complete the table below including all currently available data from your case. Where data does not exist for a given section in the table leave it blank.

The table will be updated in real-time during the MDT. New sections will be entered following the MDT recommendations and emailed out to all attendees after the event as a formal log of the discussions.

Case no. TBC at MDT	Hospital/Region		Presenter(s)	
Patient demographics				
Sex	Age	Ethnic background	Hx of consanguinity	
Overview of clinical case				
Past Medical Hx				
Perinatal	Developmental	Genetic	Syndromic	HPO terms (https://hpo.jax.org)
Investigations conducted				
Sequencing	Transcriptomics	Immunotyping	Functional	
Family Hx of immunodeficiency/SPID phenotypes and/or prior genetic studies				
Actions taken based on genetic/functional work-up				

Please forward the completed form to Philip Cowie at philip.cowie@ouh.nhs.uk
